Commissioner:

The Examiner has advised that the application would be allowed with claims set forth in the Amendment After Final mailed April 14, 2008. However, Applicants are not able to confirm that the Notice of Allowance was indeed mailed.

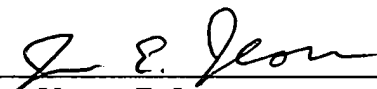

In order to ensure that the application is not inadvertently abandoned, Applicants submit herewith a conditional Request for Continued Examination (RCE), which is to be entered if and only if the Notice of Allowance is not timely mailed. This RCE is conditional because Applicants do not wish to file an RCE if a Notice of Allowance was timely mailed.

Application No. 10/735,050

As such, Applicants respectfully request that the RCE not be entered and no USPTO fee be taken from the stated deposit account if a Notice of Allowance was mailed on May 27, 2008.

If there are any remaining issues that can be addressed over the telephone, Applicant's attorney can be reached at the below listed number.

Respectfully submitted,
